Streamlined 203(k) Limited Repair Program

FHA's Streamlined 203(k) program permits homebuyers to finance up to an additional \$35,000 into their mortgage to improve or upgrade their home before move-in. With this new product, homebuyers can quickly and easily tap into cash to pay for property repairs or improvements, such as those identified by a home inspector or FHA appraiser.

Find out more about the Streamlined 203(k) program by reading HUD Mortgagee Letter 2005-50, enhancements to "Streamlined (K)" Limited Repair Program.
